

# 3 in a row

## GameProgression

1. Two rows of 4 rings (cones) set out.
  2. Aim of the game is to get three in a row.
  3. Player begin by dropping bibs on cones/in hoops. Not allowed to start by placing bibs in three adjacent sites.
  4. Players compete by picking up and moving bibs (one at a time) until one completes a '3 in a row'
- 
1. Play as a team game (3v3) Each player plays a game each and team mates can advise them
  2. Can run in a small group and play winner stays on
