

# Chain slalom relay

## GameProgression

1. Set up into teams approximately 3-8 players per team
  2. A series of cones/poles/obstacles should be placed in front of each team to slalom around.
  3. All players must hold hands and complete the slalom race. Team is disqualified if the chain is broken.
- 
1. Have a different player lead each time. Number players in each group. Before each race, call a series of numbers. Those players must then quickly link hands and race.
