

Leading – hi,lo wide we go

Objective – Leading and counter press

GameFocusResetProgression

1. 3v3 game looking to get
 1. attackers to lead and the
 2. defenders to mark
2. 1 defender starting from the backline transfers the ball to another defender
3. On receipt that defender sends to an attacker in the top right (or left – change regularly)
4. That attacker now looks to score using their 2 other attackers who enter the pitch
5. All defenders are now live – if they win the ball then they play into the top corner
