

# Think like a farmer

## *COACHES – Think like a farmer*

1. Don't shout at the crops
2. Don't blame the crops for not growing fast enough
3. Don't uproot crops before they've had a chance to grow
4. Choose the best plants for the soil
5. Irrigate, fertilise and remove weeds

Remember you will have good seasons and bad seasons – you can't control the weather only be prepared for it
